

We are pleased to announce a competition for the funding of research projects coordinated by scientists who are holders of research fellowships ("assegni di ricerca"), even if not awarded by SISSA, and who carry out their activity at SISSA.

The following conditions must be met:

1. the termination date of the said fellowship (including possible renewals) is after at least 12 months from 01/10/2012,
2. no more than 10 years have passed since the applicant obtained his/her PhD degree, or equivalent, at the deadline for applying.

Deadline for application: 15/05/2012, 13.00pm
