

[SUSY 2013](#) , the 21st International Conference on Supersymmetry and Unification of Fundamental Interactions, will take place in the Miramare campus, from 26 to 31 August 2013. SUSY is one of the biggest conference in high energy physics worldwide.

This year the conference is organized by ICTP. The organizing committee includes 3 SISSA staff members from the Theoretical Particle Physics group: Matteo Bertolini, Andrea Romanino and Marco Serone. SISSA is also co-sponsoring the event and the plenary lectures will take place in the old SISSA Auditorium (via Beirut, 4, Trieste).
