

September 28, 2012

SISSA - I floor - room 128-129

On September 28, SISSA will organize a seminar in collaboration with the Agency for the Promotion of European Research (APRE) entitled "How to write a good proposal in FP7".

Considering that the 2013 calls will be the last of the Framework Programme 7, before launching the new Programme Horizon 2020, all are invited to take the opportunity to present their project. The seminar will be held in English.

All those interested are kindly requested to **register** for the seminar by sending an email to the address segsci@sissa.it **by September**
