a definite contract basis with the SISSA of Trieste was issued, with modifications, in accordance with the provisions of Art.24, Law No. 240 of 30.12.10;

HAVING SEEN the resolutions of the Council of the Mathematics Area made in the meeting dated 11.01.2018, of the Academic Senate in the session dated 23.01.2018 and of the SISSA Board of Directors in the meeting of 30.01.2018, with which the call for a public selection procedure was approved for the awarding of a full time fixed term research contract (ricercatore a tempo determinato), for the Academic recruitment field 01/A5 - Numerical Analysis – (Academic Discipline MAT/08- Numerical Analysis) of Area 01 – Mathematics and Informatics - pursuant to Art. 24 of Law No. 240 of 30.12.10, paragraph 3, letter a), to reinforce the research activity on high quality numerical fluid dynamics applied to industrial problems, with main (but not exclusive) focus on the fields of naval, nautical, mechanical and aerospace engineering financed by the projects:

R_POR-FESR_14_20_PRELICA_MATE_Rozza_0398 - POR FESR 2014-2020 (Attività 1.3.b) progetto "Metodologie avanzate per la progettazione idroacustica dell'elica navale (PRELICA)" - Prof. Rozza, CUP: G92C17000020005;  

the existence of available funds to cover the expenditure for the position of Researcher for a full time fixed term contract for a period of three years on the projects R_POR-FESR_14_20_SOPHYA_MATE_ROZZA_0392 - POR FESR 2014- 2020 (Attività 1.3.b) project "Seakeeping of Planning Hull for Yachts - SOPHYA - prof. Rozza,  
R_POR-FESR_14_20_PRELICA_MATE_Rozza_0398 - POR FESR 2014-2020 (Attività 1.3.b) progetto "Metodologie avanzate per la progettazione idroacustica dell'elica navale (PRELICA)" - Prof. Rozza,  
R_H2020_CoG_ERC_MATE_Rozza_0314 - H-2020-2015-681447- AROMA-CFD. ERC Consolidator Grant. Titolo: "Advanced Reduced Order Methods with Applications in Computational Fluid Dynamics" - Prof. Rozza, in whose exclusive interest the research activities will be carried out;
The following public selection procedure is held to assign 1 position of Researcher (Ricercatore a Tempo Determinato) in accordance with art. 24, paragraph 3, letter a) of the Italian law 240/2010 for a three years contract, full time, which may eventually be extended once for 2 years, (subsequent to a positive evaluation of the teaching and research activities carried out by the Researcher and to the financial coverage of the fellowship), in the Mathematics Area of SISSA (ref. 2 SOPHYA PRELICA);

Academic Recruitment Field: 01/A5 Numerical Analysis;
Academic Discipline: MAT/08 Numerical Analysis;
Area: 01 Mathematics and Informatics;
Teaching activities: the teaching activities will be defined by the Council of the Mathematics Area in relation to the research project requirements and in accordance with funding prescriptions and current regulations;
Research activity: study of model reduction methodologies aimed at the reduction of the computational load of high fidelity fluid dynamics and multi physics simulations in the field of naval and nautical engineering and, more generally, of computational mechanics; development of automated parametrization tools for the shape of virtual industrial prototypes (CAD models) involved in the industrial design processes; implementation of the aforementioned methodologies in suitable open source based C++ and python libraries;
Maximum number of publications to be submitted: 12;
Language in which the evaluation of qualifications and publications will be held: English.

The position of this contract may also be held in different locations.

Admission and Eligibility Requirements
Only Italian and foreign candidates in possession of a PhD degree or equivalent qualification PhD in industrial engineering disciplines (Aerospace, Mechanical, Mathematical or Nuclear engineering), Applied Mathematics or similar; are eligible to participate in the selection.
Candidates, in order to be admitted to the selection, must be in possession of the requirements within the submission deadline.
If the PhD degree or equivalent qualification has been awarded abroad, candidates must provide the documents which certify that these qualifications are considered equivalent according to the Italian law in force:
Equivalence in accordance with art. 74 of Presidential Decree 382/1980 or in accordance with article 38 of the Legislative Decree 165/2001.
If candidates do not comply with the requirement while submitting the application, they will be admitted to the selection procedure with reserve.
If such candidate should win the selection, the necessary documents certifying that his/her qualifications are considered equivalent according to the Italian law in force must be submitted by the date of the signature of the contract.
Candidates who cannot participate in the selection are:
The Director

N.

- Those candidates who have a degree of kinship or affinity including the fourth degree, or a conjugal relationship or cohabitation with a professor belonging to the School Council, or with the Director, the Secretary General or with a member of the Board of Directors of SISSA.
- Those candidates who have, or who have had, research fellowships (assegno di ricerca) or contracts as a Researcher (Ricercatore a Tempo Determinato) in accordance with Articles 22 and 24 of Law 240/2010 at SISSA or at other Italian Universities, (public or not, or online universities), or at institutions included in paragraph 1 of Art. 22 of Law 240/2010 for a period of time which, summed to the period of time related to the contract concerned by this call, exceeds a total of 12 years, also not consecutive. Periods referring to maternity leaves or health leaves are not taken into consideration in the above mentioned periods of time according to the Italian law in force.
- Full and Associate professors (Professori di I and II Fascia) or researchers who are already holding a permanent position in a university will not be considered, even if they are no longer in service.
- Those candidates who are excluded from civil and political rights;
- Those candidates who have been dismissed or relieved from their role in a Public Administration for consistently inadequate performance;
- Those candidates who have been dismissed or relieved from their role in a Public Administration or from any other public employment in accordance with Art. 127, letter d) of Presidential Decree 10.01.57, No. 3.

The exclusion from the selection is applied through a decree of the Director and notified to the candidate.

This Administration guarantees equality and equal opportunities in accessing job posts and in job treatment between male and female participants.

Art. 3

Applications for the selection procedure

The admission application has to be signed and filled in all its parts, (Annex A), and addressed to the Director of the International School for Advanced Studies - Via Bonomea, 265 - 34136 Trieste. The application must be submitted within the deadline of 30 (thirty) days commencing on the day following the date of publication of the selection procedure in the Official Gazette of the Republic – 4th special series (Gazzetta Ufficiale).

The selection procedure will immediately be published on SISSA’s website, and on the Ministry’s and European Union's websites. If this deadline coincides with a non-working day, the deadline will be postponed to the first working day. The application must be duly signed and submitted together with a copy of a personal identity document, on pain of exclusion.

The application may be submitted in one of the following ways:
1) Handed in personally to the Human Resources Office - Via Bonomea 265 - 34136 - Trieste - from Monday to Friday from 9.00 am to 1 pm.
   The date and time of submission of the application to the competent office will be used as acknowledgment of receipt within the deadline.
2) Sent by registered mail with acknowledgment of receipt within the deadline; in this case the postmark date of the post office will be necessary as confirmation.
Applications can also be submitted within the deadline by Certified Email (PEC) to protocollo@pec.sissa.it

On pain of exclusion:
- The application must be sent from the Certified Email address belonging to the candidate, an application sent from a non-Certified Email address will not be accepted;
- submissions by Certified Email must have the following enclosed: filled out application form signed by the candidate, in PDF format; CV signed by the candidate, in PDF format; copy (front and back side) of valid ID, in PDF format and all other attachments in PDF format.
In the application, candidates must clearly indicate their surname, name, date and place of birth and tax code. In addition, all candidates must declare under their own responsibility:

a. the citizenship held;
b. to hold the degree requested for admission as specified in article 2 of this notice;
c. not to have a kinship, or affinity including the fourth degree, or a conjugal relationship or cohabitation with a professor belonging to the School Council, or with the Director, the Secretary General or with a member of the Board of Directors of SISSA;
d. not to hold a permanent position as full or associate professor (Professore di I and II Fascia) or as permanent researcher in a university, even if they are no longer in service;
e. Not to have/have had, research fellowships (assegno di ricerca) or contracts as a Researcher (Ricercatore a Tempo Determinato) in accordance with Articles 22 and 24 of Law 240/2010 at SISSA or at other Italian Universities, (public or not, or online universities), or at institutions included in paragraph 1 of Art. 22 of Law 240/2010 for a period of time which, summed to the period of time related to the contract concerned by this call, exceeds a total of 12 years, also not consecutive. Periods referring to maternity leaves or health leaves are not taken into consideration in the above mentioned periods of time according to the Italian law in force.
f. Not to have been dismissed or relieved from their role in a Public Administration for consistently inadequate performance and not to have been dismissed or relieved from their role in a Public Administration or from any other public employment, in accordance with Art. 127, letter d) of Presidential Decree 10.01.57, No. 3.
g. Not hold penal judgment of conviction and not have penal proceedings pending;
h. Not to be employed in a Public Administration;
i. To be aware that all communications regarding the selection will be published on SISSA’s website at the following link:
   http://www.sissa.it/professors-temporary-researchers-visiting-professors
   To all intents and purposes, the mentioned publication is equivalent to notification
j. to be physically fit for recruitment.

Failure to declare one of the previous points in the application form will cause exclusion from the selection.

Italian candidates must also declare in the application under their own responsibility:

- that they are either registered on the electoral list in the city of residence, or no longer registered (please enlist the reasons of removal from the register/ failure to register);
The Director

N.

- that they meet any obligations under national laws on military service (for candidates who were born before 1985);

Foreign candidates must declare in the application under their own responsibility:

- that they enjoy full civil and political rights in their Country of origin or the reasons for exclusion;
- to have adequate knowledge of Italian, although not necessary for the teaching and research activities which are held in English.

In the application, candidates must indicate the address where any communications are to be sent, the phone number, cell phone, and e-mail address. Any change must be immediately communicated to this School.

Pursuant to Law No. 104 of 5 February 1992, disabled candidates must make an explicit request in relation to their disability with respect to the aid necessary, as well as indicating the possible need for extra time for the interview.

SISSA is not liable for misdirected communication due to incorrect residence or domicile information provided by candidates, or to absent or late notification of any changes thereof. The University Administration shall bear no responsibility for any postal or communications delays or third party delays due to fortuitous events or force majeure.

In addition, candidates must also attach to the application:

a. a copy of a valid personal identity document;

b. a C.V. listing all research and teaching activities, their degrees and all other qualifications, dated and signed, and submitted through the form of the dichiarazione sostitutiva di atto di notorietà (document in which they undersign that what is stated is true) using the attached Annex B.;

c. a numbered list, dated and signed, of the publications to be submitted following the procedures described in Art. 4 of this notice, indicating eventual websites from which the publications can be downloaded;

d. a maximum number of 12 publications, (in the case of publications issued in copy, attach the dichiarazione sostitutiva di atto di notorietà - Annex B);

e. a numbered list, dated and signed, of all the qualifications which are thought to be useful for selection purposes, as well as the qualifications themselves.

If the application is delivered by hand or sent by registered mail with acknowledgment of receipt, candidates are required to submit all attachments in a computer device (USB key or CD).

Citizens of the European Union can:

- self-certify the possession of qualifications using the dichiarazione sostitutiva di atto di notorietà (Annex B). If the degrees have been issued by a Public Administration, please note that they can be only self-certified by the candidate.

or

- submit an original copy of the qualifications, or valid certified copies through a dichiarazione sostitutiva di atto di notorietà, pursuant to Arts. 19 and 47 of Presidential Decree 445/2000; all documents and certifications issued in other languages (except English) must be translated into Italian by a recognized authority/Embassy or by an official translator.

Non-European Union foreign citizens in possession of a valid residence permit may submit an original copy of the qualifications, or valid certified copies. They can use the dichiarazione sostitutiva
di atto di notorietà as for citizens of the European Union, limited to prove status, facts and personal qualities which can be certified by Italian public institutions or, in application of international conventions between Italy and the Country of origin of the applicant. Non-European Union nationals without a residence permit may submit an original copy of the qualifications, or valid certified copies. Certificates issued by the competent authorities of the State of which the non-EU foreign is a citizen must submit tall documents and certifications issued in other languages (except English) translated into Italian by a recognized authority/Embassy or by an official translator. Our Administration may proceed with specific checks on the veracity of the dichiarazione sostitutiva di notorietà. No reference may be made to documents, qualifications and publications already submitted or attached to other SISSA procedures or to other administrations. On the addressed envelope, candidates, in addition to their own personal details, must also indicate the selection procedure to which they are applying (public selection for 1 Researcher, s.c. 01/A5 Numerical Analysis, cod. rif. 2 SOPHYA PRELICA).

Art.4 Publications

Candidates are allowed to submit a maximum number of 12 publications. These must be numbered in a sequential order and bear the same number of the publications’ list as described in art. 3 of this public announcement. Publications must be submitted together with the application. Publications that are not submitted together with the application form and which do not respect the rules and the deadline of this notice, although included in the publications’ list, cannot be taken into consideration by the Evaluation Committee. Only publications or texts accepted for publication according to existing regulations will be evaluated, as well as essays that are part of collective works and articles published in journals (on paper or digital) with the exclusion of internal documents or department reports. The doctoral thesis or equivalent qualifications shall be taken into consideration even in the absence of the above mentioned conditions. For publications, in which the candidate is co-author it is possible to attach a declaration certifying the personal contribution. In absence of such declaration, the publication will be assessed as long as it is possible to identify the individual contribution and coherence of the candidate to the overall scientific activity.

If the candidate submits more than 12 publications, the Committee will evaluate the first 12 publications following the order on the list of publications submitted by the candidate. Candidates may produce publications in original, in valid certified copy or they can use the dichiarazione sostitutiva di atto di notorietà self-declaring that the copy of the publications corresponds to the original. For works printed abroad, the date and place of publication must be included or, alternatively, the ISBN code or other equivalent. For works printed in Italy before 2/9/2006 all duties in accordance with Art. 1 of Decree 31.08.1945, n.660 must be fulfilled; for works published from 02/09/2006 all duties in accordance with Law No. 106 of 15/4/2006, and with the Presidential Decree 3/5/2006, No. 252 must be fulfilled. The fulfilment
The Director

of these obligations must be certified by specific supporting documents attached to the list of publications, or self-certified with a dichiarazione sostitutiva, in accordance with Art. 47 of the Presidential Decree 445/2000. Publications must be submitted in the original language and translated into one of the following: Italian, English, French, German or Spanish.

Art. 5
Exclusion from the selection procedure
Candidates are admitted to the selection procedure with reserve, therefore the exclusion due to the unfulfillment of requirements can be made at any time through a Director’s decree. Candidates lacking the requirements listed in articles 2 and 3 of this notice will be excluded from the selection.

Art. 6
Constitution of the Evaluation Committee
The Evaluation Committee is appointed by the Director of SISSA according to the proposal of the Area Council that has requested the position and is composed of three professors, of these at least two members are chosen from other Italian or foreign universities or other research institutions. The Committee will be appointed in accordance with current regulations on incompatibility and conflict of interest. The Committee must complete all the procedures within three months since the date of issue of the Appointment Director’s Decree, unless extended through a justified provision.

Art. 7
Duties of the Evaluation Committee
The Committee predetermines the criteria for the evaluation of the C.V. and of the scientific production of the candidates, which includes the PhD thesis, according to criteria recognized at an international level, as defined by the Ministerial Decree No. 243 of 25 May 2011 and subsequent changes.
The criteria is published on the School’s website. Ten days after the date of publication, the Committee may proceed with the following steps.
The Committee will proceed with the evaluation expressing a justified analytical judgment of the C.V. and the scientific production of the candidate.
All candidates will be admitted to the interview if the total number of candidates is equal or less than six; otherwise, on the basis of the results of the preliminary assessment the most qualified candidates will be admitted to the interview (in the measure of 10/20% of the total but in any case in a number not inferior to 6).
Written and oral examinations are excluded, with the exception of an oral test to prove an adequate knowledge of the English language seen that SISSA is an International School; the oral test will take place during the discussion on qualifications and publications.
The meetings of the Evaluation Committee may be held using telematics devices (Skype, video-conferencing) but these have to be stated on the reports. In any case, all members of the Committee must be present during the interview of the candidate.
At the end of the procedure, the Committee identifies the most qualified candidate for the position.
The Director

Art. 8
Interviews schedule
The interviews will take place in the premises of SISSA in Via Bonomea, 265 - 34136 Trieste, on 2nd May 2018.
The schedule of interviews will be published on the website of SISSA (http://www.sissa.it/professors-temporary-researchers-visiting-professors) on 10th April 2018 with the list of eligible candidates for the interview. If it will be necessary to postpone the publication of such schedule, it will be communicated on the same date and at the same link.
To all intents and purposes, the publication is equivalent to notification. Therefore, the candidates admitted to the interview are expected to turn up, without prior notice, with a valid identification document, at the place, in the day and at the time specified in the notice. Candidates’ failure to turn up for the aforementioned convocation will be considered as an explicit and definitive manifestation of the desire to renounce the selection.
If candidates wish to sit a telematics interview, they must expressly request it in their application by providing their Skype contact and ensuring that the location from which the interview will take place is equipped with a webcam - necessary for the identification of the candidate – and with a microphone and headphones/speakers. At the beginning of the telematics interview, candidates must exhibit the same identification document sent with the application. Telematics interviews are held on the same day of the interviews held in the premises of SISSA, following the schedule established by the Committee and communicated in the list of candidates eligible for the interview which will be published on the School’s website.

Art. 9
Verification of regularity of acts
The acts of the Committee consist of all the reports of the Committee which must have attached the judgements expressed on each candidate and a final report on the work carried out by the Committee. The Director verifies the regularity of the acts within thirty days from the submission of the documents by the Committee. If the verification is positive, the Director approves the Committee acts through a decree. If after the verification, faults are identified, the Director sends back to the Committee the acts and indicates a deadline for their regularization.
All the acts regarding the procedure, including the report of the Committee on its work, and the judgements on each candidate are published on SISSA’s website.
The School Council proposes the call of the candidate selected by the Committee to the Board of Directors. The proposal is adopted through a resolution with positive vote of the absolute majority of the Full professors and Associate professors (professori di prima e seconda fascia). The Board of Directors decrees on the call of the candidate selected by the Committee.
Art. 10
Return of documents and publications
Candidates have the right, upon written request and at their own expense, to the return of the submitted publications and documents. The documents and publications will be returned within two months of the request, unless delays due to controversies.
In compliance to what is prescribed by law for what concerns the period of time in which candidates can file administrative disputes regarding the selection procedure, the School will not be held responsible in storing or returning documents after 30 days have passed since such period of time.

Art. 11
Constitution of employment
The contract of employment is signed by the researcher and the Director.
The date on which the researcher will start his activity is communicated by the Area Council to the Administration.
When the researcher signs the full time fixed term contract, the Administration will ask the candidate to prove, within 30 days, the possession of the requirements of the selection.
All employment conditions are in accordance with the current laws in force also in regard to tax treatment, welfare and social security. The annual gross salary of the researcher employed on a full time fixed date contract in accordance with Art. 3, c. 1 (a) of Art.24 of Law 240/10, is equivalent to the initial salary due to a full-time confirmed researcher (ricercatore confermato).
The research and teaching activities carried out by the researcher are in accordance with the contract, with the rules and codes of the School, and to what has been planned by the bodies of the School.
For anything that is not expressly covered in the present announcement reference shall be made to the norms of Book V of the Civil Code and the legislation on employment with particular reference to Legislative Decree No. 165 of 30 March 2001 "general rules on the organization of employment by public authorities".
To the researcher, by virtue of the employment relationship on a full-time basis established with the School the following are applied: Art. 32, paragraphs 1, 2, 3, and 5, and Arts. 33 and 34, paragraph 1, of Presidential Decree 11.07.1980, No. 382, as well as the statutory provisions governing the active and passive voting rights of Academic bodies.
For what concerns maternity and paternity leaves please refer to Legislative Decree No. 151 of 03.03.2001, and to Law No. 104 of 05.02.1992, for what concerns the assistance, social integration and rights of disabled persons.
For all disciplinary issues please refer to Art. 10 of Law 240/2010.
The research and teaching activities of the researcher, who holds a contract in accordance with art. 24, paragraph 3, letter A of the Italian law 240/2010 are evaluated when the fellowship is to be renewed. The same applies for the eventual, two year extension of the contract. Such evaluation must be made six months before the expiry of the existing contract. The extension may be proposed by the Area Council that had originally requested the position and in accordance with the budget provisions of the School. The assessment of the teaching and research activities takes place in accordance with the criteria of the Ministerial Decree 242/2011. The evaluation of the research and teaching activities is carried out by a Committee appointed by the Director and composed of 3 professors (all employed in other universities/institutions) who base their judgment on the basis of a report of the Area Council and on a report by the researcher himself.
The Committee verifies if the research and teaching activity is congruous with the proposed extension of the contract.

If such assessment is positive, the Committee submits the proposal of extension attaching all reports and judgements and sends it to the Board of Directors for approval. The latter, after consulting the Academic Senate of the School and the School Council, approves after verifying the financial provisions.

**Art. 12**

**Prohibition of overlapping - incompatibility**

The position of researcher on a fixed term contract with SISSA is incompatible with any employment relationship, including part-time.

In accordance with art. 53 of Legislative Decree No. 165 of 30.03.2001, a fixed term research contract cannot be held contemporarily with other fellowships awarded for a PhD course nor with research fellowships (assegni di ricerca) ex Art. 22 Law 240/10 or with other fellowships of whatever kind. The holder of the contract cannot contemporarily hold other fixed term contracts with SISSA or with other universities.

**Art. 13**

**Termination of employment**

The termination of employment is determined by the expiry of the contract or by the withdrawal of one of the parties. If the selection procedure is revocated the contract is in any case terminated.

During the first two months, each party may terminate the contract at any time without prior notice and without penalties involving the recovery or the failure to pay the salary for the period of notice not given. The contract ends when the other party receives the notice of termination.

Termination by the School has to be duly motivated.

After the above mentioned period of time, the researcher has to give at least 30 days notice in case of resignation. Failure to do so shall result in a penalty involving the recovery or the failure to pay the salary for the period of notice not given.

In accordance with art. 2119 of the Civil Code, each of the parties may terminate the contract in presence of an event, even if temporary, which does not allow the continuation of the contract. The Administration may, in addition, withdraw from the contract for lawful dismissal for misconduct.

**Art. 14**

**Personal Data Handling**

With reference to the regulations expressed by the decree n. 196/2003, concerning the handling of personal data, the data provided by the candidates will be protected in accordance with the mentioned law and to confidentiality obligations and will be processed for the sole purposes connected with the selection procedure and the eventual management of the employment contact.

**Art. 15**

**Head of the procedures**

The Head of the procedures is Dr. Alessandra Lucatello, Category EP of this Administration (Tel.: 0403787219; fax: 0403787240; e-mail: lucatello@sissa.it)
Art.16
Final Provisions
For anything that is not expressly covered in the present notice and mutatis mutandis, reference shall be made, where applicable, to the norms cited in University legislation in particular in SISSA’s Regulation concerning the dispositions related to the employment relationship of university researchers on a fixed term contract in accordance with Art.24, Law No. 240 of 30.12.10, and that related to employment in public administrations.

Trieste,

THE DIRECTOR
prof. Stefano Ruffo
