Translation of Directorial Decree 675 dated 17.11.2017

N. 675

THE DIRECTOR

SEEN the Law 240 dated 30.12.2010 and in particular art. 22 relevant to the new regulations for the award of research fellowships;

SEEN the Directorial Decree 121 dated 05.03.2012;

SEEN the Directorial Decree 295 dated 21.05.2012 establishing the Scientific Areas of SISSA;

SEEN SISSA Regulations for the award of research fellowships, issued with Directorial Decree 130 dated 04.03.2017 pursuant to art. 22 of Law 240 dated 30.12.2010;

SEEN the decisions of the Academic Senate dated 25.10.2016 and of the Board of Directors dated 28.10.2016;

SEEN the minutes of the meeting of the Council of the Neuroscience Area dated 05.09.2017 which approved to postpone to December 1 2017 the starting date of the project HEaD Operation 1 research fellowship, whose scientific responsible is Prof. Laura Ballerini;

SEEN the Directorial Decree 519 dated 15.09.2017 which foresaw a public selection based on titles, published works, a research project and an interview for the award of a 24-month research fellowship at the Neuroscience Area of SISSA in the framework of the smart specialisation strategy area (S3) of Friuli Venezia Giulia and its development trajectories “Smart Health: Innovative Therapy”, Area 05 - Biological sciences, competition sector 05/D1 Physiology, relevant academic scientific sector BIO/09 Physiology, scientific responsible Prof. Laura Ballerini, funded by Project "HEaD HIGHER EDUCATION AND DEVELOPMENT" SISSA OPERAZIONE 1 (operation code 1619889002, funding channel 1420AFPLO1) Friuli Venezia Giulia autonomous Region - co-financed by the European Social Fund in the framework of the implementation of the POR 2014/2020;

SEEN the Decree 667 by the Secretary General dated 14.11.2017 admitting Dr. Rouhollah Habibey and Dr. Serena Quarta to the aforesaid public selection;

SEEN the Directorial Decree 668 dated 14.11.2017 which appointed the examining board for the aforesaid public selection;

SEEN the acts of the public selection procedure and the relevant minutes;

DECREES

Art. 1

The acts of the public selection based on titles, published works, a research project and an interview for the award of a 24-month research fellowship at the Neuroscience Area of SISSA in the framework of the smart specialisation strategy area (S3) of Friuli Venezia Giulia and its development trajectories “Smart Health: Innovative Therapy”, Area 05 - Biological sciences, competition sector 05/D1 Physiology, relevant academic scientific sector BIO/09 Physiology,
scientific responsible Prof. Laura Ballerini, funded by Project "HEaD HIGHER EDUCATION AND DEVELOPMENT" SISSA OPERAZIONE 1 (operation code 1619889002, funding channel 1420AFPLO1) Friuli Venezia Giulia autonomous Region - co-financed by the European Social Fund in the framework of the implementation of the POR 2014/2020, are hereby approved.

**Art. 2** The following classification list is hereby approved:

1) Dr. Serena Quarta  
   score: 90/100
   Project title: “Influence of Graphene oxide nanosheets on the neuronal excitability of central neurons”, competition sector 05/D1 Physiology, relevant academic scientific sector BIO/09 Physiology, smart specialisation strategy area (S3) of Friuli Venezia Giulia and its development trajectories “Smart Health: Innovative Therapy”.

2) Dr. Rouhollah Habibey  
   score: 88/100
   Project title: “Large scales CNT integrated PDMS or hydrogels scaffolds for neural regeneration and transplantation”, competition sector 05/D1 Physiology, relevant academic scientific sector BIO/09 Physiology, smart specialisation strategy area (S3) of Friuli Venezia Giulia and its development trajectories “Smart Health: Innovative Therapy”.

Trieste, 17.11.2017

THE DIRECTOR

Prof. Stefano Ruffo
