## Social Cognitive Neuroscience

TRIESTE | JULY 21 - AUGUST 1, 2014 | SISSA - Big Meeting Room (7th floor)

Social Cognitive Neuroscience is an emerging field with an interdisciplinary vision on human behavior in a social context. This perspective, built on the confluence of neurological, cognitive, and social sciences, addresses fundamental questions about the interaction between the mind/brain and the social world.

### WHERE

SISSA  
Via Bonomea, 265  
34136 - Trieste  
(Italy)

### HOW TO APPLY

Complete and send the application form and relevant documents (CV and letter of recommendation) by 5pm GMT, Friday **18th April** to [scone2014@sissa.it](mailto:scone2014@sissa.it)

### COSTS

Accepted applicants are requested to pay a **registration fee** of 450 € to cover part of the School's organization costs.
