

# Cristiano De Nobili

---

## Short CV

Born in Brescia, 16/03/1986.

### Currently

**PhD Student**, *International School for Advanced Studies (SISSA)*, Trieste.

Research Group: Statistical Physics Group, but previously Theoretical Particle Physics (since Oct 2014)

**Academic Senate of SISSA**, *Elected student representative.*

**Contributing writer**, *IlFattoBresciano.it.*

### Private Pilot License

2014 **PPL**, *Flight School I-FTO 041, IT.ATO.0015.*

Training on *Piper Pa28 161 Cadet*. *Single-engine and VFR qualifications. Currently 25 hours as pilot in command.*

### Master Degree

2011 **Theoretical Physics**, *Università degli studi di Padova, 110.*

- Thesis : *Supersymmetric Sigma Models in two-dimension and their integrability*
- Advisor: *Prof. Dmitri Sorokin*

### Bachelor Degree

2008 **Physics**, *Università degli studi di Padova, 100.*

- Thesis : *Feynman Path Integral and Stochastic Processes*
- Advisor: *Prof. Pieralberto Marchetti*

### High School Diploma

2005 **Scientific Lyceum Annibale Calini**, *Brescia, 92.*

### Others

**Languages**, *English fluent, French basic, Spanish basic.*

**Computing**, *Wolfram Mathematica, Python, C++(basic).*
