
Boris Dubrovin

Curriculum Vitae

Education and Degrees

- *1984: Abilitation (= Doctor of Science in Phys. and Math.), Leningrad branch of Steklov Mathematical Institute. Title of the thesis: “Abelian varieties, theta-functions, and nonlinear equations”.*
- *1976: Ph.D. in Geometry and Topology, Moscow State University. Title of the thesis: “Spectral theory of finite-gap Sturm-Liouville potentials, and Riemann surfaces”.*
- *1972: Master degree in Mathematics, Moscow State University.*

Experience

- *1993 - till present: Full Professor, International School for Advanced Studies - SISSA, Trieste, Italy.*
- *1988 -- 1993: Full Professor, Department of Mechanics and Mathematics, Moscow State University*
- *1984 - 1988: Associate Professor, Department of Mechanics and Mathematics, Moscow State University*

Selected Visiting Positions

1. MSRI (Berkeley) Visiting Research Professorship, January-May 1999
2. Cambridge University, Rothschild fellowship, September - October 2000
3. ETH (Zurich), October 2000 - February 2001
4. IAS (Princeton), September 2001 - April 2002, member
5. Stanford University, January - February 2003
6. Moscow State University “M.V. Lomonosov”, Head of Laboratory of Geometric Methods in Mathematical Physics, 2010-12.

Administrative Experience

Secretary of Moscow Mathematical Society in 1985 - 91.

Head of the Mathematical Physics Sector of SISSA, 2001-2007.

Coordinator of the PhD Programme in Geometry at SISSA, 2011-2015.

Member of the International Scientific Committee of IRMP, University of Louvain, 2011.

Coordinator of Area of Mathematics at SISSA, since February 2015

Participation in Editorial Boards

- Journal of High Energy Physics (electronic)
- Mathematical Physics, Analysis and Geometry
- Journal of Geometry and Physics
