

Fabio Cavalletti

Publication related to the Ph.D. Thesis

- S. Bianchini, F. Cavalletti: The Monge problem in Geodesic Spaces, proceeding of the conference "IMA summer program: Nonlinear Conservation laws and applications"
- S. Bianchini, F. Cavalletti: The Monge problem for distance cost in Geodesic Spaces, Submitted, SISSA preprint n. 50/2009/M.
- F. Cavalletti: Optimal transportation with branching distance cost and the obstacle problem, to appear on SIAM Journal of Mathematical Analysis.
- F. Cavalletti: The Monge problem in the Wiener space, to appear on Calc. Var and PDE.
