** *One of which financed by the PNRR-FAIR project and three by Human Technopole Foundation*

The aforementioned fellowships announcements are available at the following web page: [Admission to SISSA PhD courses for the Academic Year 2023/24](#)

The Ph.D programmes, which will be activated after approval of the MIUR as foreseen by D.M. 45/2013, have a duration of 4 years with the possibility of obtaining the title at the end of the third year, and are based on teaching and research activities, with examinations to determine admission from one year to the next and the attainment of the Ph.D degree.

- **Fellowships and other benefits financed by SISSA:**
(for information about the amount of fellowships and other benefits financed by other subjects, see the relevant forms attached to this call)

The School awards fellowships for a maximum of 4 years the amount of which is, at the moment, of € 16.242,96 gross per year (about 12% tax).

A contribution towards living expenses of the amount of €150,00 gross per month will be awarded to those who will subscribe a registered rent contract in the Trieste province.

A “laptop contribution” up to € 400,00 may be granted upon request and presentation of the relevant invoice.

A contribution towards the expenses to be enrolled in the health insurance system up to € 198,77 will be granted to non-EU students only.

Students enrolled in the third/fourth year can request a contribution of up to € 1.000,00 for their access to training and/or to create a network of academic contacts to help them in their future career.

A contribution (70% of the amount of the fellowship) may be awarded to students who should be forced to suspend their activity due to illness, maternity or other serious reasons up to 5 months.

- **Requirements:**

The School welcomes applications from young candidates who are going to complete or soon after completion of their undergraduate studies with a strong interest in research.

Applications can be submitted, without age and citizenship limitations, by those who have a “Laurea Magistrale” degree or a similar qualification (i.e. Master of Science) obtained abroad, deemed suitable at discretion of the examining commission. The title must be held by the date of enrolment in the Ph.D Course, under penalty of forfeiture of admission to the Course.

- **Online application:**

An online application must be filled and sent using the procedure available at the page <https://pica.cineca.it/sissa/> by 13.00 hrs (Italian time) of the deadlines foreseen for each Ph.D course.

Candidates should upload the following documents in pdf format:

- curriculum vitae et studiorum;
- a certificate of University examinations taken (with marks);
- a final degree certificate;
- If, at the time of application, candidates should not be yet in possession of a degree certificate, they can submit it at the time of the examination.

European Union candidates can submit a personal declaration instead of the aforementioned certificates.

- a copy of the diploma thesis (if any).

Candidates with a certified disability, can report their needs related to the exams in a specific section of the online procedure.

At the end of the procedure, candidates will have to indicate the names and email addresses of two professors that will receive an email requesting to send a recommendation letter through the same online procedure **within two days of the announcement expiry date.**

The candidate will then have to print out the admission request form, sign it and send it through the same online procedure.

- **Selection procedures:**

All the information about the exams can be found in the Ph.D schedules attached to the present announcement.

Should the epidemic situation make it necessary, the tests currently scheduled in the presence will be held remotely in a manner that will be promptly notified to the candidates.

Interview by videoconference

The candidate must be available at that address, on the day and at the time that will be notified by the Commission via e-mail.

For identification purposes, and under penalty of exclusion from the selection process, each candidate is required to identify themselves showing the same identity document already uploaded as an attachment to the application before the interview begins.

In the case of a written exam, each candidate must provide two cameras; one that allows the vision of the candidate himself (i.e. computer / laptop) and one that frames the screen where the candidate takes the test (i.e. mobile phone).

Failure to give personal address, lack of internet connection, unavailability of the candidate at the expected day/time, or failure to show a valid identification document, shall be reason for exclusion from the selection process.

SISSA accepts no responsibility in the event that technical reasons should prevent the proper conduct of the oral examination.

- **Admission:**

Candidates admitted to the School will be notified by email and will be asked to be present at the School as follows:

2 October, 2023 for all the Ph.D courses in the Mathematics and Physics Areas and in Cognitive Neuroscience.

6 November, 2023 for the Ph.D courses in Functional and Structural Genomics and Neurobiology.

Failure to do so without a valid reason will result in the loss of the place and fellowship awarded.

In order to be enrolled and to be awarded the fellowship, admitted candidates must pay a “Regional Tax” of the amount of € 120,00 - € 160,00 per year. Information can be retrieved at <http://www.aridis.fvg.it/>

As per Legislative Decree 30.06.03 n.196, and of the European Regulation 2016/679 (General Data Protection Regulation), we inform that all data given to this Administration will be processed only for purposes related to and instrumental to the existing contract, in compliance with the provisions in force.
