

Prot. n. 6424-III/6

N. 224/2020

SUBJECT: Urgent modification to the PhD Announcement – Academic Year 2010/21.

THE DIRECTOR

Following the measures foreseen by the Decree of the Presidency of the Council of Ministers dated 08.03.2020 and subsequent modifications and considering the urgency to provide

DECREES

The dates and the modalities of the SISSA PhD entrance exams are modified as follows:

MATHEMATICS AREA

Mathematical Analysis, Modelling, and Applications:
postponed to 9 and 10 June 2020

Geometry and Mathematical Physics: postponed to 24 and 25 June 2020

Having considered the postponement of the dates of the exams, in order to allow maximum participation possible, the application deadline has been now fixed at 13.00 hrs of 28 May 2020

The modalities of selection (academic record evaluation, written exam and oral exam) are confirmed.

PHYSICS AREA

Astroparticle Physics: postponed to 24 and 25 June 2020
Theoretical Particle Physics: postponed to 22 and 23 June 2020

Having considered the postponement of the dates of the exams, in order to allow maximum participation possible, the application deadline has been now fixed at 13.00 hrs of 28 May 2020

The modalities of selection (academic record evaluation, written exam and oral exam) are confirmed.

Astrophysics and Cosmology: confirmed from 23 to 25 March 2020
Statistical Physics: confirmed from 23 to 27 March 2020
Theory and Numerical Simulations of the Condensed Matter:
confirmed from 23 to 27 March 2020
Interviews will take place through videoconference only (Skype or similar)

Physics and Chemistry of Biological Systems:
confirmed from 25 to 27 March 2020

Both the written test and the interview will take place through videoconference only (Skype or similar)

NEUROSCIENCE AREA

Functional and Structural Genomics: confirmed 25 and 26 May 2020
Neurobiology: confirmed 25 and 26 May 2020
Cognitive Neuroscience confirmed 4 and 5 May 2020

Selection modalities are also confirmed.

Trieste, 12.03.2020

The Director
(Prof. Stefano Ruffo)
