Kindergarten "La SISSA dei Piccoli"

Update of SISSA's contribution system for internal users
from September 1st, 2019

We inform you that, during the meeting held on October 29th, 2019, the Board of Directors of SISSA approved the following new criteria concerning the contribution to the fees of the kindergarten "La SISSA dei Piccoli". SISSA monthly contribution to the full-time attendance of internal users, based on ISEE certification so-called "Minorenni" (minors) remains as follows:

I) ISEE from € 0 a € 25.000: SISSA monthly contribution € 485,00;
II) ISEE from € 25.000,01 a € 30.000,00: SISSA monthly contribution € 455,00;
III) ISEE from € 30.000,01 a € 35.000,00: SISSA monthly contribution € 425,00;
IV) ISEE from € 35.000,01 a € 40.000,00: SISSA monthly contribution € 395,00;
V) ISEE more than € 40.000,00: no SISSA contribution.

The monthly contribution for part-time attendance is 75% of the monthly contribution for full-time attendance.

The contribution is paid directly by SISSA to the company managing the kindergarten. The remaining amount of the fee and the cost of consumed meals should be paid by the families.

From September 1st, 2019, if the sum of SISSA monthly contribution and additional contributions for educational purposes – granted by European or regional funds¹ - is higher than the kindergarten’s monthly fee, SISSA contribution will be automatically reduced in order to cover the total cost. The new contribution rules will be applied from the current educational year 2019/2020 (September 1st, 2019 – August 31st, 2020).

Each year, in February, SISSA issues an announcement for applications for enrollment of internal users for the next educational year, that included the procedure to apply for the SISSA contribution by the production of ISEE certification.

SISSA reserves the right not to allow any contribution to holders of coordinated and continuous collaboration contracts, who do not carry out their work activity mainly for the School.

¹ By way of example, contributions financed with European or regional resources such as the European Social Fund and Fund for reducing fees established by Article 15 of the regional law no.20/2005 “Integrated educational system of services for early childhood.”
Although not expressly provided for in this announcement, please refer to the provisions of the "Regulations regarding the management of SISSA's kindergarten" (https://www.sissa.it/regulations), namely articles 3 and 18. This announcement is published on the "Albo ufficiale SISSA" (official notice board) and on the website of the School.
