

The Abdus Salam International Centre for Theoretical Physics

HORIZON 2020:

MARIE SKŁODOWSKA-CURIE ACTIONS INDIVIDUAL FELLOWSHIPS (IF)

9 July 2019

SISSA – Scuola Internazionale Superiore di Studi Avanzati
Room 005, groundfloor

The Marie Skłodowska-Curie actions (MSCA) aim to support the career development and training of researchers in all scientific disciplines through international and intersectoral mobility.

The goal of the **Individual Fellowships** is to enhance the creative and innovative potential of experienced researchers wishing to diversify their individual competence in terms of skill acquisition through advanced training, international and intersectoral mobility.

Individual Fellowships provide opportunities to acquire and transfer new knowledge and to work on research and innovation in Europe (EU Member States and Associated Countries) and beyond.

Individual Fellowships (IF) are a great option if you are an experienced researcher looking to give your career a boost by working abroad. They offer exciting new learning opportunities and a chance to add some sparkle to your CV.

Trainer:

Angelo D’Agostino, National Contact Point Horizon 2020-Marie Skłodowska-Curie Actions, Science with and for Society, ERC (APRE – Agenzia per la promozione della Ricerca Europea)
