### **for OCCASIONAL GUESTS not equal to employees or similar in accordance with D.Lgs.81/08**

For the prevention of risk from Coronavirus, it is essential that everyone behaves correctly, as provided for in national and regional directives.

To this purpose, taking into account the opinion of the Garante, a vademecum has been set up with the aim of guiding the self-assessment of risk, to orient towards correct behaviours to be put in place.

The signing of this vademecum is **mandatory** before coming to SISSA.

We remind you that it is always necessary to scrupulously comply with the National provisions and Regional ordinances regarding Coronavirus.
