

Curriculum vitae of Enrico Arbarello

Professor (retired), University of Rome "Sapienza".

Laurea: Rome, 1969.

Ph.D.: Columbia University, 1973.

Selected addresses:

International Congress of Mathematicians, Berkeley, 1986.

AMS symposium on Algebraic Geometry, Bowdoin 1985.

AMS symposium on Theta function, Bowdoin 1987.

BMS Lecture, Berlin 2016.

Additional Information:

Benjamin Pierce Assistant Professor, Harvard, 1973-75 and 1979-81.

Professor, Università di Roma "La Sapienza", 1982-1996.

Maître de Recherche, École Polytechnique, 1983.

Visiting Professor, Courant Institute, New York University, 1984-85.

Visiting Professor, M.I.T., Fall 1988.

Visiting Professor, Tata Institute of fundamental Research (Mumbai), February-April 1992.

Member of the Institute for Advanced Study (Princeton) 1993-94.

Visiting Professor of Mathematics, Institut Henri Poincaré, Paris, March 1995

Professor, Scuola Normale Superiore, 1996-2000.

Distinguished Visiting Professor, Courant Institute, New York University, 1999.

Visiting Professor, Columbia University, February-May, 2004.

Member of the Institute for Advanced Study (Princeton), Spring 2005.

Member of the Institute for Advanced Study (Princeton), October-November 2014.

Visiting Professor, Collège de France, October 2016.

Visiting Professor, Scuola Normale Superiore, Pisa, Fall 2017.

Medal of the Italian National Academy of Science, 1986.

Member:

Accademia Nazionale dei Lincei,

Accademia Nazionale delle Scienze,

European Academy of Science,

Istituto Lombardo,

Accademia Europaea.

Fellow:

American Mathematical Society.

Senior Fellow:

Italian Academy for Advanced Study in America.

Editor:

International Mathematics Research Notices,

International Mathematics Research Papers,

Annali di Matematica,

Journal of The European Mathematical Society, 1999-2014,

Annali della Scuola Normale Superiore,

Communications in Contemporary Mathematics.

Director:

Annali della Scuola Normale Superiore, 1996-2000.

Member of the Fields Medal Committee, 2006.
