

# THE ILLNESS WITHIN

## Charles Sabine

**TRIESTE | APRIL 08. 2013**

Charles Sabine and his brother

A special encounter will be held at the International School for Advanced Studies (SISSA) of Trieste featuring Charles Sabine, journalist and “future” Huntington’s chorea patient.

Sabine will give the audience his unique personal account and will address the importance of genetic research in fighting neurodegenerative diseases, the type of research carried out at SISSA.

### WHEN

Monday April 8th  
at 11.30 am

### WHERE

Lecture Room 128,  
SISSA  
via Bonomea 265,
