📅 Date of birth 25/06/1981 | 🇮🇹 Nationality Italian

I'm a communicator and scientific journalist. I have over fifteen years of experience in the field of communication and project management.

## MAIN PROFESSIONAL EXPERIENCE

---

September 2019 – today

LEAF department of University of Padua – Forest and environmental science

Communication consultant: communication strategy for the department, press office and teaching activity for communication modules

Reference for this position: [vincenzo.dagostino@unipd.it](mailto:vincenzo.dagostino@unipd.it)

June 2020- today

TerrACE ERC Project – Communication officer – [www.terrace.no](http://www.terrace.no)

Communication officer for the ERC project based at the Arctic University of Tromsø

Reference for this position: [antony.g.brown@uit.no](mailto:antony.g.brown@uit.no)

September 2018- September 2020

Trieste ESOF 2020 – [www.esof.eu](http://www.esof.eu)

I am part of the communication team of Trieste ESOF 2020: I deal with communication strategy and content development. I contribute to the definition of guidelines for web and social media communication

Reference for this position: [npitrelli@sissa.it](mailto:npitrelli@sissa.it)

September 2017- May 2020

Politecnico di Milano – ERC Project iHeart Communication officer  
[iheart.polimi.it](http://iheart.polimi.it)

I deal with the dissemination of the ERC iHeart project (principal investigator Alfio Quarteroni): design of communication lines, production of informative articles, congress materials and presentations, support in the management of events related to the project and meetings with schools.

Reference for this position: [alfio.quarteroni@epfl.ch](mailto:alfio.quarteroni@epfl.ch); [luca.paglieri@polimi.it](mailto:luca.paglieri@polimi.it)

April 2019-May 2019

CO<sup>2</sup>Geonet

Researcher – Media consultant

Research and scientific review on CCS and its media impact. In view of the data collected, a report was prepared for the organization of targeted communication activities during the World Science Journalism Congress, which will be held in Lausanne from 1 to 5 July. Reference for this position: Sergio Persoglia, OGS [spersoglia@inogs.it](mailto:spersoglia@inogs.it) and Niels E. Poulsen [nep@geus.dk](mailto:nep@geus.dk)

March 2011- today

Science journalism

Scientific articles for Nature, El Pais, National Geographic, Corriere della Sera, Wired Italia, La Stampa. I worked for 2 years in the editorial office of National Geographic Italia (2014-2016).

Reference: Massimo Sideri [msideri@rcs.it](mailto:msideri@rcs.it) (Corriere della sera); [a.clementi@kataweb.it](mailto:a.clementi@kataweb.it); [ev.gualerzi@repubblica.it](mailto:ev.gualerzi@repubblica.it) per National Geographic

September 2016- July 2018

Politecnico di Milano – Moxoff Communication officer

Communication activity for Moxoff, the spinoff of the mathematics department of Politecnico di Milano. Reference for this

position: [ottavio.crivaro@moxoff.com](mailto:ottavio.crivaro@moxoff.com); [alfio.quarteroni@epfl.ch](mailto:alfio.quarteroni@epfl.ch)

July 2014- June 2016

National Geographic Italia - Gruppo Editoriale Espresso

Activities of writing articles and correcting contributions of various freelancers for the nationalgeographic.it website. For the editorial staff, I also participated in numerous conferences held by CNR, WWF, Minister of the Environment, national and international associations that deal with the issues of the magazine.

Reference to persons as above

September 2007- July 2014

Università Statale di Milano-Faculty of political, economic and social sciences- Assistant professor

Teaching support activities for the cross-media communication chair - Professor Edoardo Fleischner - lectures, tutoring, lectures and exams support

Reference: [edoflei06@gmail.com](mailto:edoflei06@gmail.com)

September 2011- March 2012

Internship- Ministério de Medio Ambiente, Brasil

Dissemination activity for the Tamar Project, based in Ferdando de Noronha (Brasil). I took care of the dissemination and communication of the project on the island, organising activities for tourists

Reference for this position: [infonoronha@tamar.org.br](mailto:infonoronha@tamar.org.br) (i don't know who work there now, but they have a track of different internships)

September 2005-  
July 2011 De Agostini-  
Author

Continuous collaborator of De Agostini, in the context of scientific publishing projects. Reference: [gualtiero.carraro@carraro-lab.com](mailto:gualtiero.carraro@carraro-lab.com) (at that time they coordinate the De Agostini service in outsourcing)
