

SCUOLA INTERNAZIONALE SUPERIORE DI STUDI AVANZATI
Via Bonomea n.265, 34136 Trieste (Italy) tel.: 04037871 - telefax: 0403787249

**RESEARCH TRAINING FELLOWSHIPS FOR POST-GRADUATE STUDENTS
ANNOUNCEMENT VALID UNTIL OCTOBER 10TH 2018**

• **Fields**

Astrophysics

Astroparticle Physics

Cognitive Neuroscience

Functional and Structural Genomics

Mathematical Analysis, Modelling and Applications

Mathematical Physics and Geometry

Neurobiology

Physics and Chemistry of Biological Systems

Statistical Physics

Theoretical Particle Physics

Theory and Numerical Simulation of Condensed Matter

• **Amount and duration of the fellowship**

Amount of the fellowship:

€ 1000,00 monthly net

Contribution towards living expenses to

students who are not resident in the Trieste Province:

€ 300,00 monthly gross

(at the discretion of the Commission and only for those not resident in the Province of Trieste):

Duration of the period of study and research:

from 1 to 12 months

A contribution towards documented travel expenses, of up to a maximum of 300,00 € gross, will be given to Italian and EC citizens who are not resident in the Trieste Province. Candidates coming from non-EC countries will be given up to € 1000,00 gross; should the cost of the ticket exceed € 1000,00, the difference will be deducted from the first instalment of the fellowship.

• **Deadline for submission of applications**

Applications (see attached form), together with all the required documents, must reach the School **no later than 12.00 hrs. (Italian time) on the 10th of each month (from February to October 2018)** by e-mail to the following address: protocollo@sissa.it (a copy of an identifying document will have to be included in the application). Should the 10th fall on a Saturday or Sunday, the deadline is postponed to the following Monday.

Each candidate can apply for a maximum of 2 fields at a time.

The granting of the scholarship will be based on each applicant's academic Curricula and his/her research interests. Candidates whose research interests are not compatible with the scientific research lines pursued by the professors of the School will not be considered eligible.
